Terms & Conditions

1. Project Timeline

- The estimated project completion time is **3–4 weeks**, subject to timely approval of designs, content, and feedback from the client.

2. Payment Terms

- **50% advance payment** is mandatory to initiate the project.
- The **remaining 50% payment** must be completed **after testing and before mapping the website to the original domain / going live**.
- Deployment will be done **only after full payment (100%) is received**.

3. Deployment & Server Setup

- **Deployment and initial server setup** will be provided **free of cost**.
- Basic configuration required to run the application will be included.

4. Maintenance & Support

- **1 year of free service support** is provided from the date of project delivery.
- After 1 year, **Yearly Maintenance Charges (AMC)** will be **₹6,000 per year**.

5. Scope of Free Maintenance

- Free support includes **minor bug fixes, basic content updates, and performance checks**.
- Major changes, new features, redesigns, or additional modules will be **charged separately**.

6. Client Responsibilities

- The client must provide **all required content, images, logos, and approvals** on time.
- Any delay in providing inputs may affect the project timeline.

7. Change Requests

- Any changes beyond the initially agreed scope will be treated as **additional work** and may affect **cost and delivery time**.

E-Commerce Web-Application – Basava Mart

8. **Hosting & Domain**

- Domain and hosting charges (if not explicitly mentioned in the quotation) are the **client's responsibility**.

9. **Ownership & Handover**

- Full ownership of the project, source code, and files will be handed over **only after complete payment**.

10. **Cancellation Policy**

- If the project is cancelled after work has started, the **advance payment is non-refundable**.
